YORKSHIRE
COAST AND MOORLAND SCENES

ON BARNBY MOOR

THE first moorland view as one travels westward from Whithy. Away to the left, on the further side of the Esk, is the lofty plateau of Sleights Moor, with Egton High Moor further away still. Near this spot, sometimes known as Alskby Common, is the Skeldar Inn, a lonely little house whose dimly-lit windows serve as a beacon to wayfarers on dark wintry nights.

It may seem almost superfluous to explain that this book does not deal with the whole of Yorkshire, for it would obviously be impossible to get even a passing glimpse of such a great tract of country in a book of this nature. But I have endeavoured to give my own impressions of much of the beautiful coast-line, and also some idea of the character of the moors and dales of the north-east portion of the county.

I have described the Dale Country in a companion volume to this, entitled 'Yorkshire Dales and Fells.'
