PREFACE.

THE contents of this volume appeared originally in *The Catholic Transcript*, of Hartford, Connecticut, in weekly instalments, from February, 1901, to February, 1903. During the course of their publication, it became evident that the form of instruction adopted was appreciated by a large number of readers in varied conditions of life—this appreciation being evinced, among other ways, by a frequent and widespread demand for back-numbers of the publishing journal. The management, finding itself unable to meet this demand, suggested the bringing out of the entire series in book-form; and thus, with very few corrections, we offer the "Briefs" to all desirous of a better acquaintance with Catholic Morals.
