Angels of beauty are hovering above Earth's weary children, on missions of love; Blient the wave of their soury-white wings. Welcome the voice of their sweet whisperings.

PREFACE.

This volume of bright gems of thought is presented to the public that all may be benefited through the inspiration that may come to them through its perusal.

The Poems contained in this volume are Angel Whisperings, in very deed, and are destined to elevate the thoughts and bring sunshine into the hearts of the multitude.

The *Combination* has sought to draw from each the inspiration that is within them, and is developed in some degree in every soul, and we feel that in the variety all may find the good they seek.
