**LAURIE'S GRADUATED SERIES OF
READING LESSON BOOKS.
CHEAP AND ABRIDGED EDITION
FOR ELEMENTARY SCHOOLS. IN
SIX BOOKS. BOOK III**

**CHEAP AND ABRIDGED EDITION OF LAURIE'S
GRADUATED SERIES OF READING-LESSON BOOKS.**

ESPECIALLY ADAPTED TO THE SIX STANDARDS OF THE REVISED CODE.

Complete in **SIX BOOKS**, strongly bound in cloth.

THE ABRIDGED EDITION of the GRADUATED SERIES of READING-LESSON BOOKS, with Explanatory Notes, adapted as a Progressive Course of Reading. By J. S. LAURIE. Re-edited and adapted for the most Elementary Schools by J. D. MORSELL, LL.D. One of Her Majesty's Inspectors of Schools.

The GRADUATED SERIES of READING BOOKS was originally compiled previously to the introduction of the Revised Code. In their primary form all the several Books went through several Editions, and gained general approbation amongst teachers and friends of education. Although the price has already been once reduced, and some attempts made to adapt the Series to the requirements of the new code, yet it has been found by experience that a

Cheap and Abridged Edition suited to the more Elementary class of Schools is still a desideratum. For

these schools the price of the large edition is often found too high, and the scale of difficulty in the several Standards somewhat too advanced.

It is chiefly to meet these objections that the present

Cheap Abridged Edition

has now been issued. The matter has been so selected as to present much easier gradations from one Standard to another, and the price has been still further reduced so as to bring the whole series within the reach of the poorest classes of schools in the country.

CLOTH.
s. d.

ENGLISH READING BOOKS.**

‘Mr. LAURIE’S excellent *Graduated Series of Reading-Lesson Books* has met with great and well-deserved success.’
ATHENÆUM.

Complete in 5 Books, with New PRIMER, price 8s. 1d.

THE GRADUATED SERIES

OF

READING-LESSON BOOKS

WITH EXPLANATORY NOTES, ADAPTED
AS A PROGRESSIVE COURSE OF READING, FOR ALL CLASSES OF
ENGLISH SCHOOLS, INSTITUTIONS, AND FAMILIES.

EDITED BY J. S. LAURIE,

LATELY ONE OF HER MAJESTY’S INSPECTORS OF SCHOOLS.

Messrs. LONGMANS and Co. beg leave to announce the reissue of Mr. LAURIE’S *Graduated Series of Reading Books* at considerably reduced prices. They also have to announce that to render them at once more complete, and better suited to the present requirements of Inspected and other Schools, a new Primer suited to Standard I. of the Revised Code has been added to them by Dr. J. D. MORRELL, one of H.M. Inspectors of Schools; and a careful selection of poetry appended to Books III. and IV. All the

books have been several times reprinted, and new and revised editions are now ready.

The *Graduated Series* in its present form not only comprehends a far greater quantity of matter than any of the other Standard Reading Books—but presents a variety of Readings on Historical, Geographical, Scientific, and other Miscellaneous Subjects; which have been acknowledged to be unequalled by any similar publication. The prices at which the Series is now offered are the following:—

Elementary Reading Book, or Primer, by Dr. J. D. MORRELL, suited to Standard I. pp. 60, price 2d. sewed, or 4d. cloth...	0s. 2d.
Book I. suited to Standard II. pp. 192.....	0s. 8d.
Book II. suited to Standards III. and IV. pp. 254.....	1s. 3d.
Book III. suited to Standards IV. and V. pp. 312.....	1s. 6d.
Book IV. suited to Standard VI. pp. 440.....	2s. 0d.
Book V. comprehending Readings in the best English Literature of the present day, pp. 496.....	2s. 6d.

Taking into account the amount of matter here presented, and the fact that ample materials for Standards III. IV. and V. are contained in two of the above volumes (so that it is not

necessary to purchase a new book for every separate Standard), the *Graduated Series* are amongst the cheapest Reading Books ever offered to the public.

‘We have had occasion to speak in terms of the highest approbation of two or three volumes of the *Graduated Series of Reading-Lesson Books*. The fifth and last book of the series, now before us, shows how excellently the plan adopted in the arrangement of the books preceding it has been calculated to lead the pupil onwards to a full appreciation of these complementary selections from the higher branches of literature. Steadily, yet surely, the pupil has been led onward from the simplest narratives, the plainest told tales, and the most lucid descriptions of common objects, to a point in which exactly similar departments of literature are represented by specimens from the works of some of the finest writers of the last and present century.’
CHURCHMAN.

PREFACE.

THE GRADUATED SERIES of READING BOOKS was originally compiled previous to the introduction of the Revised Code. In its primary form it went through several editions, and gained general approbation amongst teachers and friends of education. Although the price has already been once reduced, and some attempts made to adapt the series to the requirements of the new code, yet it has been found by experience, that a *Cheap and Abridged Edition* suited to the more Elementary class of Schools is still a desideratum. For these schools the price of the large edition is often found too high, and the scale of difficulty in the several Standards somewhat too advanced.

It is chiefly to meet these objections that the present edition has now been issued. The matter has been so selected as to present far easier gradations from one Standard to another, and the price has been further reduced so as to bring the whole series within the reach of the poorest classes of schools in the country.

THE EDITOR.
