The contents of this catalog are just a sample of our offering on this topic. The titles that Trieste Publishing has chosen to be part of the collection have been scanned from the original, which has been sourced from public libraries around the world. CHARLES SPURGEON ABOUT HIS LECTURES:

"My College lectures are colloquial, familiar, full of anecdote, and often humorous: they are purposely made so, to suit the occasion. At the end of the week I meet the students, and find them weary with sterner studies, and I judge it best to be as lively and interesting in my prelections as I well can be. They have had their fill of classics, mathematics, and divinity, and are only in a condition to receive something which will attract and secure their attention, and fire their hearts. Our reverend tutor, Mr. Rogers, compares my Friday work to the sharpening of the pin: the fashioning of the head, the straightening, the laying on of the metal and the polishing have been done during the week, and then the process concludes with an effort to give point and sharpness. To succeed in this the lecturer must not be dull himself, nor demand any great effort from his audience."

FREDERICK BROTHERTON MEYER

(8 April 1847 – 28 March 1929) was a Baptist pastor and evangelist. He lived in England and was involved in ministry in North America also. He wrote over 75 religious books and articles including Christian biographies and devotional commentaries on the Bible.

Meyer was known as a fighter against immorality. He preached against drunkenness and prostitution. He is said to have brought about the closing of hundreds of saloons and brothels.

An English newspaper, *The Daily Telegraph*, following F. B. Meyer's death in 1929, described him in an obituary as "The Archbishop of the Free Churches".

OUR DAILY HOMILY

By Frederick Brotherton Meyer

DESCRIPTION

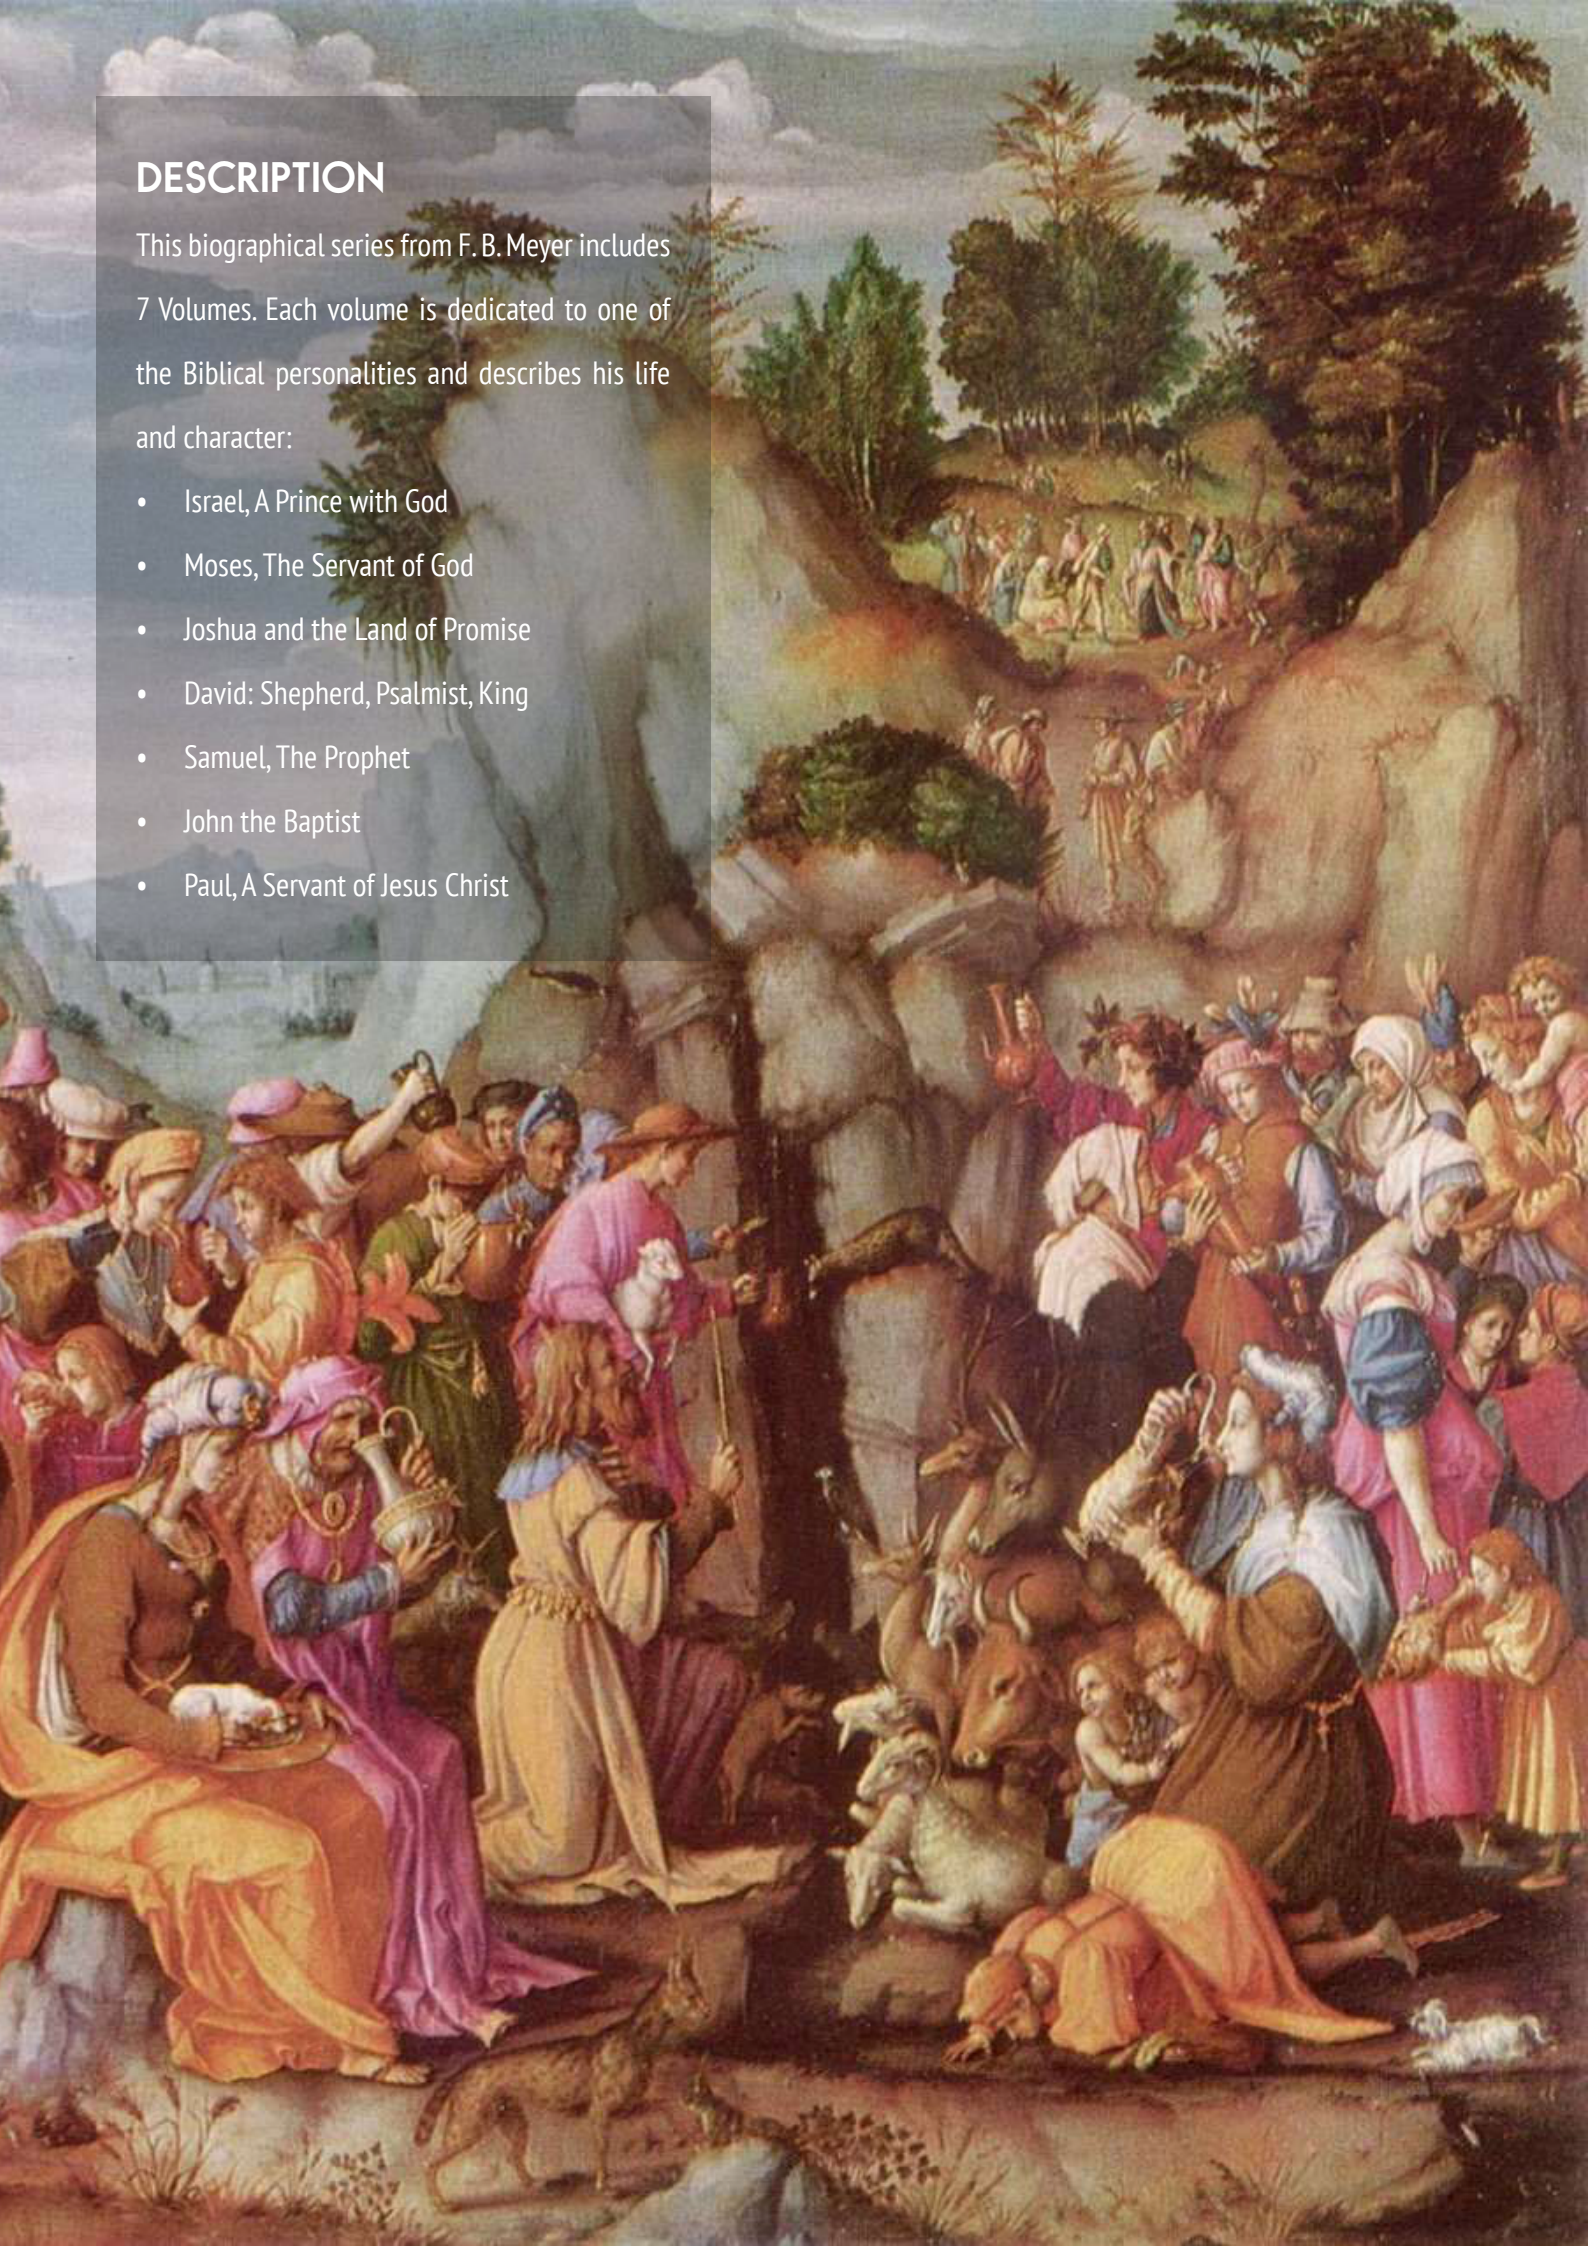

“A Homily,” says an authority, “is distinct from mere exegesis or exposition; because the latter is addressed to the understanding, while the Homily is meant to affect the heart also, and to persuade those who hear to apply the lessons of Scripture for the reformation of their lives.” This definition admirably describes my purpose. I have endeavored to build an exhortation to the heart from a careful consideration of the selected passage, often in the fresh light thrown on it from the Revised Version.

JOHN BUNYAN

John Bunyan was an English writer and Puritan preacher. He was born November 28, 1628, in the city of Elstow, Bedford. Joining the Parliamentary Army in 1644, he served until 1647. He became interested in religion after his marriage, attending first the parish church and then joining the Bedford Meeting, and becoming a preacher. In 1660 Bunyan was arrested and spent the next twelve years in jail as he refused to give up preaching. The allegory *The Pilgrim's Progress*, written during imprisonment, made Bunyan's name famous. By the time he was released, Bunyan became a hero and continued to preach and write until his death. You can learn more information about the life and activities of this great preacher in biographies from our collection listed below.

THE PILGRIM'S PROGRESS

By John Bunyan

Edited and Arranged by Jean Marian Matthew

Illustrated by Henry Justice Ford

DESCRIPTION

This is one of the most significant works of English Christian literature. The first part was written when the author was in prison and published in 1678. The second part was completed in 1684 and published in 1688. During the author's lifetime, a total circulation of the first part was more than 100,000 copies. This creation of classic Christian literature describes the path of a person who seeks God, his doubts, repentance and the process of spiritual growth. The events are portrayed as the retelling of a dream, which illustrates the spiritual processes of the soul and the spiritual world invisible to the human eye.

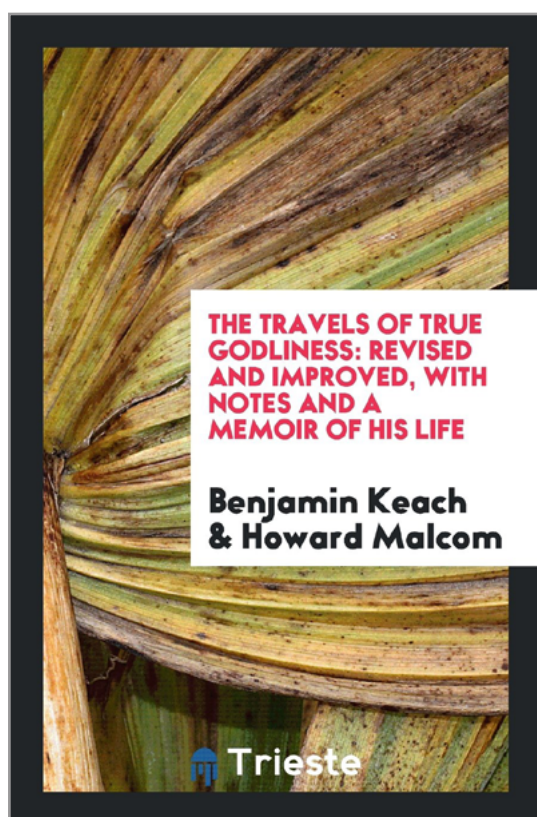

ABOUT THE ILLUSTRATOR

Henry Justice Ford did the illustrations for this children's edition. He was a successful English artist who was able to capture the imagination of a generation of British children and his books were sold worldwide.

UNDER THE EVERGREENS OR, A NIGHT WITH ST. NICHOLAS

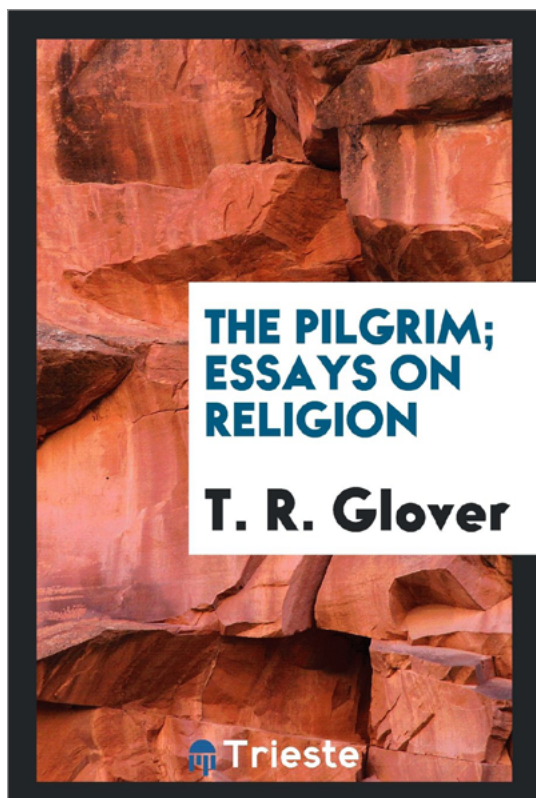

By George Claude Lorimer

DESCRIPTION

This simple story is but the elaboration of an old idea, – a new house on an ancient foundation. It was suggested by Dickens's "Christmas Carol;" and every reader conversant with that masterpiece of fiction will readily perceive that Mr. Scrooge is the prototype of Mr. Hezekiah Jonah.

Originally it was prepared for the entertainment of the Sabbath School. The story became popular and was published to enlighten readers. The author hoped the book would create "an humble place in the hearts of those who love a "Merry Christmas."

THE PILGRIM

ESSAYS ON RELIGION

By Terrot Reaveley Glover

DESCRIPTION

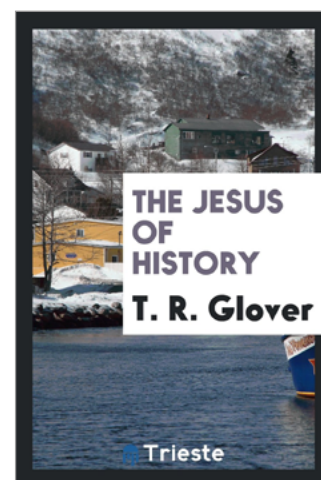

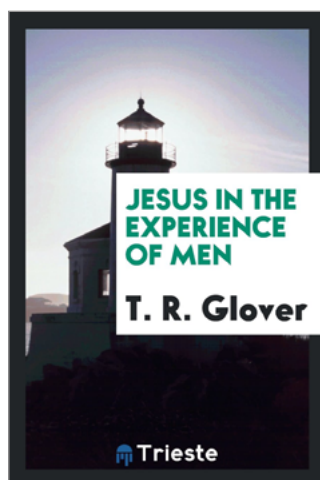

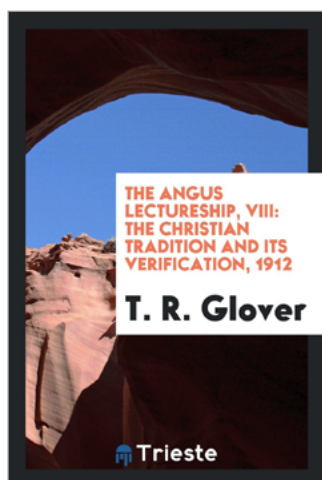

All the sections of this book turn upon the spiritual life, and on that interpretation of it which we find in the New Testament, in its precursors and in those who in art and life have developed and elucidated it.

TERROT REAVELEY GLOVER

Terrot Reaveley Glover (1869-1943) classical scholar and historian, was a lecturer in ancient history, 1911-1939, and orator, 1920-1939, at St John's College, Cambridge. Although he started his academic career as an ancient historian, this interest provided a basis for his later work in New Testament studies.

THE WORLD'S GREAT SERMONS

DESCRIPTION

The following series comprises ten volumes of the best examples of Christian sermons delivered from pulpits between the fourth and twentieth centuries. These volumes were brought together by Grenville Kleiser, an instructor in Public Speaking at Yale Divinity School. Professor Kleiser has presented these masterpieces in an attractive and convenient format. He compiled the product of over one hundred representative preachers from different Protestant communions, and thus brought together a treasure trove of sermonic literature. Each sermon starts with a brief biographical note about the author.

The material submitted should be helpful both to serving ministers, and others who, while not being preachers, seek the solace that these inspiring sermons provide for personal character development and strengthening of Christian faith.

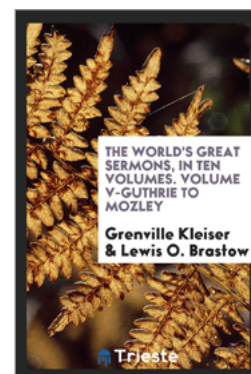

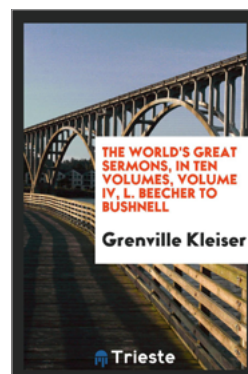

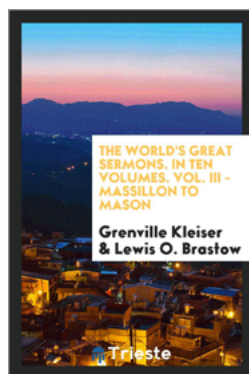

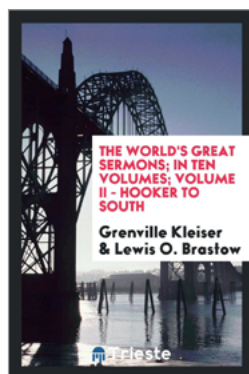

Originally published: 1908

A DICTIONARY OF THE PROPER NAMES OF THE OLD AND NEW TESTAMENT SCRIPTURES BEING AN ACCURATE AND LITERAL TRANSLATION FROM THE ORIGINAL TONGUES

By J. B. Jackson

OUR BEST SELLER

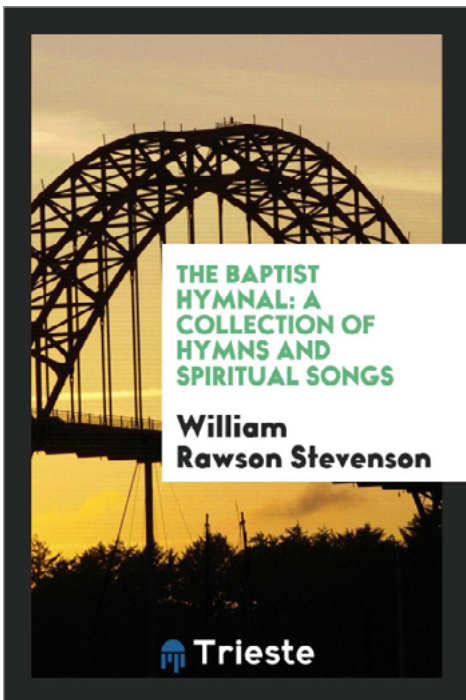

Some years since, the present writer, in pursuing his studies in the Bible, reached a portion which consisted largely of Proper Names, and at once he was confronted with the fact, that a considerable and, to him, important portion of the Bible was untranslated. Fully persuaded that “whatsoever things were written aforetime were written for our learning,” and that “all Scripture is given by inspiration of God, and is profitable for doctrine” (Rom. 15:4, 2 Tim. 3:16); and hence that there could be no idle word in God’s Book; he set about preparing an accurate, alphabetical list of all the Proper Names of the Old and New Testaments with a view to securing the best possible renderings of the same. The one controlling idea in the preparation of this work has been to provide the English-speaking reader with an exact, literal equivalent of the original Hebrew, Chaldee (Aramaic), or Greek name, and this the reader may expect to find.
